Overview

Public announcements allow you to broadcast important messages to your users within FormAssembly. You can use it to announce new features, system maintenance, and more.

Requirements

Enterprise

Compliance Cloud

For information on upgrading, please contact our Sales Department at sales@formassembly.com.

Posting Announcements

Browse to: **Admin Dashboard | Announcements**

From here you can view your **Announcement List** or create a **New Announcement**.

Announcements will be displayed in a "splash" notification at the top of the form

management interface after a user logs in.
