FormAssembly Classes

The FormAssembly Knowledge Team regularly presents classes that are meant to provide our users with an introduction to form building, the Salesforce Connector, form management possibilities, and more.

You can view some of our most popular class recordings below. You can also [register for upcoming FormAssembly classes](#) if you would like to participate in a live version of any of these classes.

Formdational Series

Our Formdational Series focuses on the basics of FormAssembly. Walk through the FormAssembly basics with our Knowledge Team in the videos below.

FormAssembly 101
