Changes & Bug Fixes

E-Signature:

- Assigned fields on a document will be updated to "Declined to sign" if the signer Declines the E-Signature request.

Workflow List

- The Workflow List page now features a toggle that will switch the page view from Card View to Table View. Table View features analytics to track the health of your workflows:

  - Completed, In Progress, and Total columns shows how many responses have been received and how many are in flight

  - Completion Rate shows conversion metrics

  - Last Completed shows the date of the last completed response

  - Last Modified shows the date of the last saved edit on the workflow builder

- The Workflow List also supports workflow name and ID search, column sorting, and quick navigation to important actions (edit, clone, responses, delete)
